NOTES FOR COMPLETION OF SCORE SHEET

1. **Complete the match details at the top of the score sheet.**
2. **Centre Passes (CP): Odds (O) Evens (E)**
   - Team with 1st centre pass of the game is **Even**, write E in the Centre Pass (CP) box and for **Odd,** write O in the oppositions CP box at the top.
   - If the scores of the 2 teams add up to an Even number, then the next centre pass is to the team with E in the CP box (vice versa for an odd number).
3. **Scoring:** When a goal is scored, cross off the next number. At the end of the quarter, circle the last goal scored by each team and write it in the quarter score boxes at the bottom.
4. **End of Quarter:** If the quarter ends during play the E and O swap (write this in the next quarter's CP box). If the quarter ends **after** a goal but **before** the CP, then the E and O stay the same (write this in the next quarter's CP box)
5. **End of Match:**

- Teams and umpires **MUST** agree on final score.
- Teams should email score sheet and team sheet to **results@ltnl.co.uk by 8pm on Saturday.**
