1	Attend C Award Umpiring Course	C award courses are held throughout the season across Leicestershire – check the LCNA website for updates. www.lcna.co.uk
2	Take Written Assessment	Contact LTNL Umpiring Secretary (Jane Hammersley) to arrange a time and date to take your written assessment.
3	Umpire at least 4 matches – Note this can begin before the written assessment has been completed.	Organise as much practical umpiring experience as possible, contact clubs that train and ask if you can attend their training sessions (clubs listed below in red have regular training sessions). The fixtures highlighted with ^ on the LTNL fixture list, denote that this fixture can be officiated by a non-qualified umpire. Arrange with the team detailed to umpire this match with your LTNL mentor and keep a log of all matches / umpiring experience you accrue.
4	Practical Pre-assessment	When your mentor believes that you are ready to take your C Award Test, contact Kathy Stripp who will arrange for you to be assessed.
5	Fitness Test	Within 6 weeks of passing your practical assessment, contact Kathy Stripp who will arrange your fitness test.
6	C Award Test	Once all the previous steps have been completed contact Kathy Stripp to arrange your test.
