

LTNL Mentoring Guidelines

The following guidelines have been produced in order to help developing umpires get match practice on second & third division matches, prior to their 'C' award test. The candidate must have completed a recognised 'C' award course and passed the Into Umpiring assessment within the last twelve months, a mentor from the LTNL Mentor list below must be present during the game:

1. Only games highlighted on the fixture list can be umpired by an unqualified umpire.
2. You must only use one of the LTNL approved mentors listed below.
3. The mentor will complete a feedback form, which will be given to the mentee and used as part of their C award match experience evidence.

APPROVED LTNL MENTORS
